Greater stress will be laid upon the educational value of physical education along with the acceptance of the each playing the game and Spirit die carps.

It is not the accumulation of prizes but the formation of character, national and personal which are the crying need of day. We address ourselves to the task of imparting, developing and encouraging the true sporting spirit, a fit and health body and mind. One encouraging the true sportive spirit, a fit and healthy body and mind. Our endeavor ultimately will be towards the cultivation of love of liberty and ability to defend that liberty should need arise.
